No. S.-P. C. 17487-98, *dated* 22*nd February* 1937.

To

The Firms dealing in Pressed Steel Tank and Staging.

Enquiry No. 2204.

PRESSED STEEL TANK AND STAGING FOR ATTIBELE WATER WORKS.

GENTLEMEN,

Please be good enough to intimate your best prices, f.o.r., Bangalore and the earliest time of delivery for the materials described below :—

One—Pressed Steel Tank of 1,600 gallons capactiy with 20 ft. staging of the following specification :—

The covered pressed steel tank 8′×8′×4′ having an approximate capacity of 1,600 gallons is required. The sides and bottom of tank should be made up to pressed steel plates of 4′×4′×¼″ thick. The top of tank should be provided with flat mild steel plates of ⅛″ thick with roof supports tees, angle bracings, bolts and nuts, etc., complete. Sufficient quantity of jointing materials and caulking tools must be supplied. The roof cover should be provided with an elliptic manhole of 18″×15″ having cover and locking arrangements. A float and an indicator board arrangement with necessary chain pulley and pointer should also be supplied so as to indicate water level in the tank. The whole tank should be given one coat of red oxide paint before despatch.

A mild steel structure suited to support the tank at a height of 20 feet above the ground is also required. It should be complete with all bracings and cleats, bolts and nuts, bearing plates, foundation bolts, main and cross girders.

An outside ladder of 15 inches wide with hand railings to reach the top of the tank from ground level with necessary fixtures, bolts and nuts should also be supplied. It should be given a coat of red-oxide paint before despatch.

Two sets of correct working drawings marked with detailed dimensions of the part should be supplied to facilitate erection.

The name of the makers of the tank should be specified.

A dimentioned sketch showing the sizes and other particulars about materials used for the staging should accompany your quotation.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Pressed Steel Tank and staging for Attibele Water Works", with the above enquiry number.

This enquiry will be closed on the 30th March 1937.

No. S. P. C. 17499-512, *dated* 22*nd March* 1937.
